

Campaign to Stop Car Parking Charge Increases in Elgin City Centre

The Moray Council are proposing increasing the parking charges in the majority of car parks within Elgin. Elgin is also the only town within the region where parking charges are imposed. This adds pressure to the business community, visitors and shoppers.

We believe the proposed increase will have a negative impact, if you agree, we are asking you to [sign our petition to ask the Moray Council who are meeting on the 4th December to reject the increases. The link is attached here. We do not have a lot of time to campaign so please complete the petition and/or survey as quickly as possible to make sure your voice is heard.](#)

If you could also take a few minutes to complete the short survey below we would appreciate it. You can choose to complete the whole form, or complete Section A for workers or B if you are a shopper or visitor.

Section A – For City Centre Workers

1. How do you travel into Elgin City Centre (Please tick)?

Car	Bus	Bicycle	On Foot	Other – please explain
