Town Centre Regeneration: Tackling Empty Properties

Monday 18th June | The Inkwell | 5.30pm for a 6pm start

Richard Lochhead MSP is inviting local businesses to join him for a discussion on Town Centre Regeneration to look at what action is needed to tackle the empty shops and first floor properties in the centre of Elgin. There has been much progress in Elgin town centre but there remains more to do and Richard would like to give local business owners the opportunity to share their views on the key challenges in regenerating our High Street.

All Elgin BID members are welcome to attend. If you are interested in this event or have any questions please contact Richard by emailing:

richard.lochhead.msp@parliament.scot.

Many Thanks
Gill & Tina
