

Change in Personnel

I wanted to let you know that I have advised the BID Board that I will be resigning from my post and my last day will be Thursday 6th August.

The decision to leave is a personal one, 2019 was a difficult year for me, I lost my Mum in the spring, then my husband, Tom, had an accident at work in November and my sister in law died just before Christmas. It was a lot of emotional upset and really caused me to have a serious think about the future. Tom has been in dreadful pain for the last seven months, which has been tough to watch. He needs to have surgery on his spine, and we are hoping to hear about that soon.

Having thought long and hard, we do not want to risk him returning to work after his operation, so we have decided to retire and move closer to family. We made the decision before Covid-19, but were unable to move forward because of lockdown.

I have loved the work I have been doing with BID, it is hard to believe I have been here more than 8 years and over that time and I have made a lot of good friends. A huge amount has been achieved and while at the moment Elgin, like every other place in the country is having to cope with the effects of Covid-19, we entered this situation in a stronger place than most other towns and I firmly believe that, strength will return.

I want to take this chance to thank the Board of Directors and Tina, their support and understanding has been wonderful and is very much appreciated.

If anyone wants more information about the post, please E mail me on gill.neill@elginbid.co.uk

Take care
Gill
