Covid Update

The First Minister announced on Tuesday that there will be no changes this week to the Covid levels of protection across Scotland.

It is likely that there will be no changes to the levels until July to allow more time for more people to become fully vaccinated. The First Minister will confirm the decision to Parliament next week.

Retail Crime Meetings

We had our initial Retail Crime Meeting last week and it was agreed we would go ahead with the meetings once a month.

If you would like to attend these meetings please fill in the quick survey below to let us know when it would work best for you to meet.

We will then go with what works best for the majority and meet once a month at the same day & time.

If you aren't able to attend but have concerns/issues you would like to pass on to the group drop Tina an email on tina.mainland@elginbid.co.uk and she will bring to the meetings to discuss on your behalf.
