If you have or will have any vacancies that you would like to be included in the leaflet please fill out this very quick survey.

Elgin Month Business Meeting

Following on from last year's sector weeks we held in August, we are looking to change it up and have come up with the idea to brand September as 'Elgin Month' (working name at the moment, if you have any ideas you think would work well please let us know!).

Similar to last year we will be looking to promote offers from across all sectors in the city centre, these can be new offers specifically for the month or can be ones that you are already running.

On Friday 8th July we will be holding an informal meeting where you can come along and find out more and pass on any feedback from last year's sector weeks.

Would you like to host the next pub quiz in aid of Elgin's Christmas Lights?

The first Lighten Up Elgin pub quiz fundraiser for Elgin's Christmas Lights was a great success!

The group are looking to hold monthly themed quizzes in different hospitality businesses in the City Centre, would you like to hold one?

The group will provide the quiz master and quiz sheets. If you would like to be involved all they will need from you is space for the quiz to take place and if you are able to donate a prize for the winning team it would be much appreciated. The prize can be anything you want, voucher or bottle of wine- the choice is yours.

All the money raised from ticket sales will be donated to the Benevolent Trust for the Christmas Lights Fund.

Please let Tina know on tina.mainland@elginbid.co.uk if you would like to host a quiz.

Stay Vigilant- Fake £20 notes

Across the country retailers have had customers attempt to use fake 'film prop' £20 notes to make purchases.

These notes are easily available to purchase on the internet so please stay vigilant when checking notes.

Should anyone attempt to use these notes in your premises report them to the Police.
